Supp. L.G. 5th October 1971

On 5th February 1971, Pte. Bennett was a member of a section guard in the Ardoyne district of Belfast, in a position subject to stoning by rival factions. During the night, the guard was faced by a crowd of about 100 and for ninety minutes was the target for nail bombs, pistol and rifle shots and automatic fire from less than 60 yards. Throughout the engagement, Bennett kept cool and, on his own initiative, tried to set up a position from which to engage the gunmen.

On the following day, Pte. Bennett was in an observation post in the Old Ardoyne. At midnight, he came under fire from four gunmen using a machine gun, two rifles and a pistol. Thirty shots hit his sandbagged post over a 90 minute period and another 30 hit the building nearby. Throughout the engagement Bennett accurately reported the gunmen's positions to his company headquarters and frequently had to expose himself in order to observe them.

Pte. Bennett's conduct and fearless devotion to duty during both incidents were a tremendous example to his comrades.

Extract from letter from Ministry of Home Security:

Sir, I am directed by the Minister of Home Security to inform you that the Chairman of the London County Council drew his attention to your gallant conduct on 20th April, 1941 when you assisted in fire fighting and rescue operations at St. Peter's Hospital, Vallance Road, Whitechapel, E.1., working with great bravery under conditions of extreme difficulty and danger.

Mr. Herbert Morrison felt that your courage and devotion to duty were deserving of high praise and he took steps to bring the matter to the notice of His Majesty the King who was graciously pleased to award you the George Medal in recognition of the courage which you displayed.

The notice of this award will appear in a list to be published as a Supplement to the London Gazette on the evening of Friday 29th August, 1941.

SALE CATALOGUES

On the average we issue twelve or more Coin Catalogues and three Naval & Military Medal Catalogues each year, some of which are usually of Sales of important Collections.

CATALOGUE SUBSCRIPTIONS

Sale Catalogues, frequently illustrated, are normally posted to Subscribers about three weeks prior to the date of Sale.

Lists of "Prices Realised" are issued after each Sale, thus giving at a glance a reliable guide to value. The final test of value must always be auction prices rather than the figures given in books of reference, for changing times and fashions soon render the latter obsolete and misleading. The Lists of "Prices Realised" will probably be enclosed in a following Sale Catalogue.

AIR MAIL POSTAGE

To allow subscribers resident outside Europe time to submit Postal Bids, Sale Catalogues will, if desired, be sent by Air Mail. Air Mail postage is not, however, included in the Subscription Rate and the cost must be borne by the Subscriber. In such cases a deposit against the cost is required.
